Dear Stephen:

This is to notify you that the Board of Oil, Gas and Mining approved Western Tar Sands, Inc.'s request to change the form and amount of surety as proposed, subject to approval by the State Land Board. That change is to reduce the present surety in the form of a treasury bond from \$64,500.00 to a certificate of deposit in the amount of \$20,000.00 to be held by the Division of State Lands and Forestry. Also, the surety is to be reevaluated prior to recommencement of any further mining activity. If you have any questions, please call.

Sincerely,
